Business Deposit Safes

Adesco's Business Deposit safes are designed with the small business owner in mind. We carry a full line of top-loading rotary hoppers and front-loading safes designed for the temporary storage of cash deposits, checks, coin, receipts, and/or tills.

Standard Rotary & Front Deposit Features:

- U.L. listed Group 2 combination lock.
- Two spring loaded relocking devices.
- Solid hand welded door and body for maximum security.
- Drill resistant carburized lock mount plate.
- Epoxy based paint with a Granite Multispec texture.
- 4 pre-drilled mounting holes (except RD2008KC).

Premium RD Additional Features

- Top-loaded rotary barrel with black handle.
- Package size 4 x 6 x 10.
- Hinged Interchangeable Door.

Premium PD Additional Features:

- Front-loading package drop.
- Package size 4 x 7 x 12 (PDxx14 models) and 4 x 7 x 18 (on PD3619).
- Hinged Interchangeable Door.
- Hidden Shelf (Except PD2214).

Economy Deposit Additional Features:

- Compact Design.
- Three Solid Steel Locking Bolts.
- PD Package Size 2 3/4 x 8 x 11.
- RD Package Size 3 1/4 x 9 x 6.

Value Added Options:

- Single or dual key locks.
 - Electronic locks.
 - Time delay.
- See pages 14-15 for more value added options.
