

Home & Small Business Floor Safes

Our Home & Small Business floor safes provide an excellent storage option for all your valuable items at an economical price. When properly installed in your wood or concrete floor, these safes are hidden from view and provide exceptional burglary and fire protection.

Standard Features:

- U.L. listed Group 2 combination lock.
- Two spring loaded reloading devices.
- Solid hand welded door and body for maximum security.
- Drill resistant carburized lock mount plate.
- Epoxy based paint with a Granite Multispec texture.
- Body anchor base plate.
- Sturdy dust cover.

QB Additional Features:

- 1/2" A36 solid steel door.
- Massive spring assisted gloss black hinge.
- 3/4" chrome-plated locking bolts.
- Full-length dead bar to prevent entry into safe by removing hinges.
- Extra large clear door opening to accommodate cash register tills.
- Black handle and dial.

CQB Additional Features:

- 1" A36 solid steel C-rate door.
- Massive spring assisted gloss black hinge.
- 3/4" chrome-plated locking bolts.
- Full-length dead bar to prevent entry into safe by removing hinges.
- Black handle and dial.

S Additional Features:

- 1/2" A36 solid steel lift-out door.
- 4" chrome locking bar.
- Full-length dead bar for optimal pry resistance.

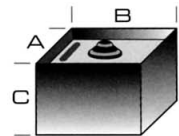

- Black T-handle and dial.
- Collar over body design for steel to steel drive resistance.

SO Additional Features:

- 1/2" A36 solid steel direct-drive lift-out door.
- Brushed chrome handle with gloss black dial.
- Full-length dead bar for optimal pry resistance.
- Third spring-loaded reloading device.
- Collar over body design for steel to steel drive resistance.

Value Added Options:

- Slotted door with baffle.
 - Electronic locks.
 - Single or Dual Key locks (not available for all models).
 - Bolt holes for above ground installation.
 - Time delay.
- See pages 14-15 for more value added options.
