

AMERICAN SECURITY PRODUCTS COMPANY

Square Door Floor Safes SUPER BRUTE & BRUTE Series

All BRUTE Series safes are designed to provide secure storage for documents, jewelry, precious metals and miscellaneous valuables at an economical price. When properly installed in a concrete floor, BRUTE Series safes provide excellent fire and burglary protection. BRUTE floor safes meet and exceed the requirements of the Insurance Offices Manual of Burglary Insurance.

You may also add many options to customize your safe, such as: a drop slot in the door, depository chute, digital keypad lock and keylocking dial to name a few. BRUTE Series safes may be installed in the floor, wall, cladding, or within a larger safe

SUPER BRUTE
Model B1500

SUPER BRUTE & BRUTE

Standard Features:

- Black textured body and door.
- Large brass plated dial and black matte finish dial ring with matching handle.
- 3M Lexan escutcheon plate covers the entire door surface.
- End user can get combination changes by just bringing the door to a locksmith.
- Attractive robotically welded design offers strong reliable welds to protect against burglary attacks and reduce possible leakage.
- U.L. listed Group II key changeable lock, with relock and 1 million possible combinations.
- An additional spring loaded relocking device, activated by a punching attack.
- Lock and relocks are protected by a large carburized hardplate.
- A handle activated locking mechanism consisting of five 3/4" diameter locking bolts. Each one is drive resistant, chromed steel with a long throw.
- One piece heavy duty dead bar behind hinge prevents removal of door even if hinges are removed during a forced entry attempt.
- Door is designed to fit full body size, which greatly reduces any possible pry points.
- Doors are interchangeable within product group.

Body:

- Oversize floor plate ensures strong installation in concrete.
- Flush cover plate.
- Solid steel hinge mechanism using 3/8" diameter steel hinge pins and internal mounting bolts.

SUPER BRUTE

Super Brute Floor Safes Lifetime Replacement Warranty:

If your AMSEC Super Brute floor safe is subject of a sledgehammer or pry attack and is forcibly entered, AMSEC will replace or repair the safe (our option) with a current production model of comparable value - free of charge. The damaged safe must be returned freight prepaid to the factory within 30 days of the loss, accompanied by a properly filled police report. This warranty does not apply to damage or loss resulting from accident, alteration, unauthorized entry or improper installation. AMSEC's limited warranty policy and procedures applies to any extended product warranties.

Double Compartment
