Fire Star Imported Residential Fire Safes

Fire Star Imported Commercial Fire Safes

ES1310

FS1013

FS5123

FS5637DD

This economical range of Fire Star fire safes is the answer to today's high incidence of residential fires. Fire Star safes also provide burglary protection making them ideal for home and light commercial applications.

Features:

- ES-FS1013, ES-FS1310 - 350°F, one hour fire rating.
- 3 wheel changeable combination locks with knob operated locking mechanism.
- Side boltwork mechanism incorporating a 1-1/8" chrome plate locking bolt, prevents door removal during a forced entry attempt.
- One 1-1/8" rectangular steel deadbolt prevents door removal if hinges are removed during a forced entry attempt.
- Innersliding tray standard.
- Impressive 5/8" thick door with attractive two-toned sage finish.
- ES1013, ES1310 - six digit easy change electronic keypad lock. Exterior battery compartment houses four AA batteries.

These larger models of Fire Star fire resistant safes are designed for commercial and residential application for bulky items. The loss of important documents can severely cripple a business. Surveys have shown that 47% of all businesses do not survive after a devastating fire and that these fires strike an average of every 4 minutes.

Features:

- 350°F two hour fire rating.
- Models FS3821 – FS5637DD feature a U.L. listed Group II lock and separate key lock.
- Automatic relocking device triggered by forced entry attempt.
- Handle operated side, top and bottom locking mechanism incorporating four to six steel chromed locking bolts.
- Two rectangular steel deadbolts prevent door removal if hinges are removed during a forced entry attempt.
- Ball bearing hinges for ease of operation.
- Locking bolt detent preventing damage to safe body and boltwork caused by accidental door closure with bolts extended.
- Three extra deep models to accommodate oversized storage.
- Double door model designed for bulk storage.
- Adjustable inner shelves and keyed drawers.
- Casters allow for ease of movement.
- Attractive two-toned brown metallic baked enamel finish.
