Wide Body Cash Control Depository Safes

Extensive research and development went into the engineering of AMSEC's Wide Body, "B" Rate cash handling depository safes. Designed to offer complete cash management versatility with a wide selection of depository options such as a top, front or rear load depository, one to three deposit slots or a pull-out deposit drawer.

BWB Standard Body Features:

- **Door:** Massive 1/2" thick A36 solid steel plate.
- Formed high tensile steel body and jamb construction to maximize protection against pry attack.
- Reinforced internal jamba on all four sides to provide protection against sledgehammer attack.
- U.L. listed Group II, key changeable combination lock.
- 3-way locking mechanism consisting of five 1" diameter chromed steel locking bolts.
- Bolt detent system engages boltwork automatically.
- Locks and relocks protected by a large carburized hardplate.
- Auxiliary spring-loaded relocking devices.
- Convenient, door-mounted, recessed coin rack.

Interior Locker Features:

- Heavy 1/4" steel door, with Medeco® high security camlock.
- Large clear door opening: 5-3/4"H x 12"W.
- Inside Dimensions:
BWB2020 / BWB3020: 10-1/2" x 19-3/4" x 14"
BWB2025 / BWB3025: 10-1/2" x 24-3/4" x 14"
- **Note: Top or Front Load Depository - inside locker height restricted to 6".**

Deposit Drawer Features:

- Large "fish" resistant, pull out drop drawer deposits directly into standard interior locker. Drawer size: 1 1/8 x 3 1/2 x 7 1/2
- Heavy duty steel sliding drawer.

Deposit Slot Features:

- Convenient 1/4" x 4-1/2" opening, equipped with a steel money pusher to maximize "fish" resistance.
- Cash bins are provided in interior locker of safes with two or three slots.

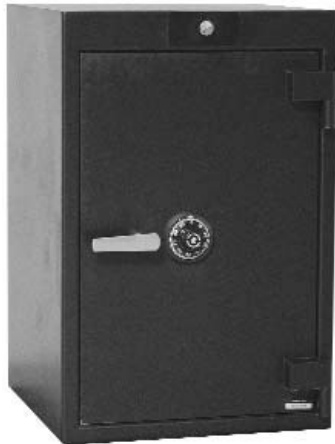

Top Load Depository Features:

- Large rotary style formed heavy duty steel hopper.
- Handle activated and designed for smooth money drop.
- Large package capacity: 6-1/2" x 5" x 12" (maximum).

Front Load Depository Features:

- Recessed heavy duty 1/8" construction with 1/8" door.
- Protected by dual "anti-fish baffles."
- Large package capacity: 3-1/2" x 9" x 11-1/2" (maximum).
- May be ordered in any one of four directions. Specify front, reversed, right load or left load.

IMPORTANT: AMSEC Depository safes are recommended for any operation that requires a non-returnable deposit such as armored car companies, convenience stores, restaurants, etc. The top locker is not meant for overnight storage of cash or valuables.
